

MyStudioPlus to InSpired Upgrade Checklist

Check out what has changed.

- InSpiredByYou
- Spectra 2012
- Pricing structure

Set up a new InSpiredByYou account with StudioPlus.

Choose a conversion date and confirm with StudioPlus.

Prepare a new marketing image and logo.

Website conversion: *(handled by StudioPlus)*

- Begins at midnight (Central Standard Time) on the night *before* conversion.
- Midnight – 7:00 am: Current MyStudioPlus.com website is disabled and the data and images are transferred to InSpiredByYou.com.

Studio conversion: *(perform at the studio)*

- Begin the studio conversion process *after* 7:00 am on the day of conversion.
- Upgrade installed StudioPlus software to Spectra 2012.
- Update settings in **Maintenance > Preferences > InSpiredByYou.com Preferences.**
- Run **InSpiredByYou.com Synchronization.**
- Create test client and session. Upload the session to InSpired and then log in, create an order, and download the order to Spectra.

Change links to the new InSpiredByYou.com URL
